### **Imagecraft Exhibits Adds Key Staff in Dallas**

DALLAS—Imagecraft Exhibits, a custom designer and full service program manager of trade show exhibits, marketing centers and custom environments, announced today that Ralph Chambers has joined the team as Senior Account Executive based in the Dallas office.

"Imagecraft Exhibits is fortunate to continue to grow and capture the extraordinary talents and experience of people like Ralph," said Tom Blair, CEO. "Our goal is be a partner for our customers in showcasing their brand and acquiring some of the best talent in the industry helps us achieve that goal."

Chambers brings more than 30 years of experience in the trade show industry to Imagecraft Exhibits. He has garnered experience as a principal in exhibit design and consulting companies and as a sales manager at Derse Exhibits in Milwaukee and most recently The Expo Group.

#### **About Imagecraft Exhibits**

Imagecraft Exhibits is a custom designer and full service manager of trade show exhibits, marketing centers and custom environments. With a foundation in art design and craftsmanship, Imagecraft Exhibits works with clients to create unique elements that bring a company's brand and products to life. Imagecraft Exhibits provides award-winning solutions for Fortune 500 companies, builders, developers, municipalities and landmarks.

Founded in 1971, Imagecraft Exhibits maintains its headquarters in Austin, Texas with an office and warehouse facility in Dallas as well.
